Let us spiritually educate, enlighten, and empower into the depth of our resourceful abilities by being divine contributors to the overall assembly of souls, making earthly homes out of our humble abode(s).*

*“The foundations of worlds untold, are rested upon the many pillars of principles that those who choose to behold, then choose to uphold, causing matter(s) to unfold. - This is thus the seed, root, stem, and life tree.” ~ G.S. Noble Jenkins El*
